

## BAS BLEU AUTUMN/WINTER 2006

w/t **SKULL**

Autumn/Winter 2006 at BAS BLEU celebrates a fresh spirit of 50's rebellion. Inspired by the hard rock glam of original 50's biker culture, each piece is named after a classic bike. With exclusive designs commissioned from Soho tattoo artists, SKULL reveals BAS BLEU's sophisticated dark heart.

### SKULL COLLECTION

Artists IAN FLOWER and THOMAS HOOPER, of the legendary Frith Street Tattoo Parlour, have created stylised new designs for A/W at BAS BLEU. Inspired by authentic old-school tattoo designs, BAS BLEU'S bras, pants and bodies are adorned with traditional Japanese dragons, iconic skulls and baroque angel wings – a sexy new way to wear body art without the permanence or the pain!

**LOW RIDER** – BAS BLEU'S fresh take on the jockey short for biker girls – sleek black satin Y-front style PANTS, with dramatic red ribbon piping and intricate winged skull tattoo on the reverse. Matching beautiful black satin BRA with overlapping petal cups, Chantilly lace ruffle trimming and red ribbon piping contrast.

**TRITON** – Exquisitely detailed pieces in deepest midnight blue satin. PANTS in glossy midnight blue satin and soft mesh, with tiny quilted pocket on reverse fastened by delicate gold button. Seductive BRA in sleek quilted midnight blue satin. And NEW this season, classic 50's style GIRDLE in deep midnight blue satin. The essence of vintage rock glam.

**DELUXE** – 50's style Bodies for edgy prom princesses. BAS BLEU DELUXE is a sheer mesh body with embroidered dot detail, deep V slash front, ribbon spaghetti straps and lace tuxedo frill trim running down front slash and reverse on pants. Black embroidered mesh on front and LAVISH DRAGON TATTOO imprinted on flesh-tone mesh all down back. Beautiful body art for the wild at heart.

**TIGER** – Ravishing bra and pants in black embroidered dot mesh over flash red satin. Pants fastened with slim ribbon ties, adorned with a flush of playing cards studded with SWAVROWSKI crystals. Bra complete with cleavage jewellery of dangling red dice. TIGER combines glamour-girl good looks with casino culture allure.

THE RETURN OF THE **BALLET PANTS** – BAS BLEU revamps its cult **BALLET PANTS** for SKULL. Cascading layers of black polka-dot net for shady ladies.

REV IT UP.
